INSTRUCTIONS

WHO MUST FILE: In order to obtain a tax credit authorized under section 212.097, F.S., businesses must submit this application for approval.

WHEN TO FILE: This application may be filed at any time. Tax credits are granted on a first come, first served, basis until the maximum amount of credits allowable per calendar year has been exhausted (\$5 million). A new eligible business may apply for a tax credit once at any time during its first year of operation. After that, the business must apply as an existing business. No business may apply more often than once every 12 months. The date listed as the Date of Application on the application form shall be used as the measuring date for each 12 month period. The Date of Application will determine which tier that an eligible business is located within when designated areas are re-ranked every three years.

CLAIMING TAX CREDIT:

Upon approval, you will receive a letter from the Florida Department of Economic Opportunity (DEO) and a notification from the Department of Revenue if claiming a credit against sales and use tax (see below).

CORPORATE INCOME TAX CREDIT INFORMATION:

If an election is made to claim the approved credit against corporate income tax, a copy of the credit approval letter from DEO must be attached to the corporate income tax return (Form F-1120) on which the credit is claimed. Corporate income tax credits which cannot be fully used in the year they first become available may be carried over to succeeding tax years for up to 5 years.

SALES AND USE TAX CREDIT INFORMATION:

If an election is made to claim the approved credit amount against sales and use tax, the Department of Revenue will issue a Department of Revenue Credit Memorandum. The credit memorandum will authorize a credit to be claimed against sales and use tax on Line 8 of Form DR-15 (see instructions for Line 8, in the Department of Revenue Sales and Use Tax Coupon Book). Sales and Use Tax Credits are valid for 12 months from the date of application approval.

NOTE:

If, prior to claiming any credit, the credit election is changed (corporate income tax versus sales and use tax) please notify the Department of Revenue immediately by calling Taxpayer Assistance at 1-850-488-6800, Monday through Friday, 8 a.m. to 5 p.m., Eastern Time.
